

15 QUESTIONS YOU SHOULD ASK YOUR CROP INSURANCE AGENT

1. What is the deadline to apply for crop insurance in my location?
2. How much time is needed to complete the application?
3. Do you feel comfortable with the policy I am looking for?

4. In addition to my farm tax forms, what records do I need to provide?
5. How many years of tax forms and other records do I need to provide?
6. If my records are incomplete, what can I do to get coverage?
7. What reports am I required to file during the insurance period?

8. Have you sold Whole Farm Revenue Protection (WFRP) before?

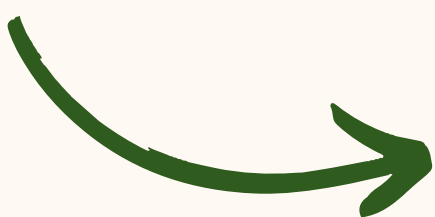

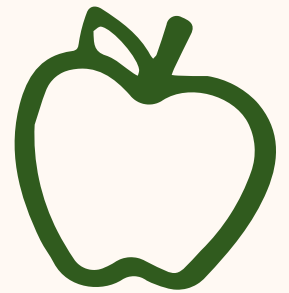

9. Can I keep my Multi-Peril Crop Insurance (MPCI) policy with my current agent and make an application for WFRP with a different agent or crop insurance company?

10. Can I use Noninsured Crop Disaster Assistance Program (NAP) if I already have a WFRP policy?

11. Will my banker consider WFRP as collateral for an operating loan?

12. How many years do I need to have farmed and filed farm tax forms to qualify for WFRP?

13. When am I billed for the premium?
14. If I have filed a claim, do I need to pay the premium or will the company take it from the indemnity payment?
15. How long do I need to keep my records if I've had a claim?
